SUMMARY

Skilled in HTML, CSS, JavaScript, and ReactJS with hands-on experience building and optimizing responsive web applications. Proven team player with strong problem-solving skills, eager to contribute to development Projects.

EDUCATION

University Institute of Technology, Burdwan University	Sept 2020 – July 2024
• West Bengal, India B.Tech in Electronics and Communication Engineering CGPA: 7.93	
Eastern Railway High School	Sept 2018 – July 2019
• Bihar, India Senior Secondary Education Percentage: 60.6	
Eastern Railway High School	Mar 2016 – July 2017
• Bihar, India Secondary Education CGPA: 8.4	

TECHNICAL SKILLS

Programming: C++, JavaScript, HTML, CSS, OOPs.
Frameworks & Databases: ReactJS, Tailwind CSS, Bootstrap, MongoDB, MySQL.
Tools: Git, VS Code, MS Excel, MS PowerPoint, Data Analysis.
Soft Skills: Quick learner, Team player, Analytical Thinking, Time Management.

PROJECTS

Recipe Finder	Link
• Created a Recipe Finder web application that enables users to search for recipes by entering ingredients or dish names.	
• Integrated external APIs to display detailed recipe information, including step-by-step instructions, cooking times, and images.	
Quiz App (HTML, CSS, JavaScript, ReactJS)	Link
• Designed an interactive quiz platform with a dynamic UI, multiple-choice questions, and instant feedback.	
• Ensured cross-device compatibility and smooth performance through a responsive layout.	
Disaster Monitoring and Early Warning System (Arduino Uno)	June 2024
• Developed a sensor-based system to detect and monitor environmental conditions for early disaster alerts.	
• Implemented an automated alert mechanism to provide timely notifications to users.	

EXPERIENCE

TechnoHacks , Web Developer Intern, Nashik, India	July 2024 – Jan 2025
• Designed and developed responsive web pages, ensuring adherence to modern web standards.	
• Optimized code for better user experience and cross-browser compatibility.	
Sinfolix Technologies , Frontend Developer Intern, Pune, India	Feb 2025 – Ongoing
• Developing and optimizing responsive web applications to enhance performance and usability.	
• Debugging, testing, and improving application performance for a seamless user experience.	

EXTRA CURRICULAR ACTIVITIES

Member at THE CODEBIRD - Coding Club, UIT-BU

Contributed to enhancing the campus tech culture by organizing workshops and coding contests.

Solved 200+ Data Structures and Algorithms problems on LeetCode

to strengthen problem-solving and coding skills.
